1998 Subject Index

Advanced Practice
AIDS: A Picture of Reality, 223
Barmentoring: Mentoring and Critical Nursing Behaviors Among Novice Nurses in Clinical
Chronic Disease Management Offers New Career Opportunities, 228
Nursing Practice, 110
Domestic Violence: Legal, Practice, and Educational Issues, 142
Evaluating Physical and Behavioral Changes in Older Adults, 85
Fibromyalgia and its Primary Care Implications, 207
Implementing a Residency Program for the Acute Care Nurse Practitioner, 28
Managing Patients with Carotic Stenosis, 280
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348

From AMSN
Medical-Surgical Nursing: Keystone of Caring, 185
Nursing Shortage: Are We There Yet, or Is it Still Coming?, 73
Preparing for the Journey, 321
Promoting Healthy Communities, 253
Taking Time for Ourselves, 5
Valuing the Competency of the Medical-Surgical Nurse, 129

Cardiovascular/Pulmonary Physiology
Breaking the Boundaries: Collaborating to Develop a Model Ventilator Training Program, 9
Central Venous Access — Catheters, Technology, and Physiology, 132
Managing Patients with Carotic Stenosis, 280
A New Form of Heparin is Changing Treatment of Thrombotic Disorders, 106
Stroke Following Vertebral Artery Dissection: A Case Study, 214

Continuing Education
An Analysis of Nursing Documentation as a Reflection of Actual Nurse Work, 189
Breaking the Boundaries: Collaborating to Develop a Model Ventilator Training Program, 9
Central Venous Access — Catheters, Technology, and Physiology, 132
Minimizing HIV/AIDS Malnutrition, 256
A Revitalized Battle Against Diabetes Mellitus for the New Millennium, 323
Total Parenteral Nutrition in Surgical Patients, 76

Ethics
Domestic Violence: Legal, Practice, and Educational Issues, 142
The Informed Advocate, 254
A Road Map for Navigating End-of-Life Care, 57
The Surrogate's Experience During Treatment Decision-Making, 357

Health Care Delivery
Acute Confusion Among Hospitalized Elders in a Rural Hospital, 199

Ethics
Domestic Violence: Legal, Practice, and Educational Issues, 142
The Informed Advocate, 254
A Road Map for Navigating End-of-Life Care, 57
The Surrogate's Experience During Treatment Decision-Making, 357

Health Care Delivery
Acute Confusion Among Hospitalized Elders in a Rural Hospital, 199

Body Temperature Alterations in Hospitalized HIV/AIDS Patients, 217
Central Venous Access — Catheters, Technology, and Physiology, 132
Comparing Use and Cost Effectiveness of Tracheostomy Tube Securing Devices, 270
Chronic Disease Management Offers New Career Opportunities, 228
Describing Pain Management Documentation, 45
Evaluating Physical and Behavioral Changes in Older Adults, 85
Implementing a Residency Program for the Acute Care Nurse Practitioner, 28
The Integration of a Tuberculosis Control Plan into a Standard of Care for Tuberculosis, 19
Jewish Tradition in Death and Dying, 275
Managing Patients with Carotic Stenosis, 280
Minimizing HIV/AIDS Malnutrition, 256
Nurses' Perceptions of why Medicaiton Administration Errors Occur, 39
Perceived Need for Education vs. Actual Knowledge of Pressure Ulcer Care in a Hospital Nursing Staff, 293
Postoperative Nursing Care Contributions to Symptom Distress and Functional Status After Ambulatory Surgery, 148
Preparing for the Journey, 321
Promoting Healthy Communities, 253
Quality: The Staff Nurses' Role, 130
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348
Relationship Between Nurse Caring and Patient Satisfaction, 99
Review of Nursing Home Regulations, 165
You're Pulling Me Where?, 371

Health Promotion & Disease Prevention
Chronic Disease Management Offers New Career Opportunities, 228
Evaluating Physical and Behavioral Changes in Older Adults, 85
The Integration of a Tuberculosis Control Plan into a Standard of Care for Tuberculosis, 19
Nurses' Perceptions of why Medicaiton Administration Errors Occur, 39
Promoting Healthy Communities, 253
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348

Infection Control
The Integration of a Tuberculosis Control Plan into a Standard of Care for Tuberculosis, 19
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348

Measuring and Managing Outcomes
Describing Pain Management Documentation, 45
Health Information Systems: Improving Nursing Care and Cutting Cost, 308
Physical Restraints: Meeting the Standards/Improving the Outcomes, 121

Medical Nursing
AIDS: A Picture of Reality, 223
Breaking the Boundaries: Collaborating to Develop a Model Ventilator Training Program, 9
Body Temperature Alterations in Hospitalized HIV/AIDS Patients, 217
Central Venous Access — Catheters, Technology, and Physiology, 132
Comparing Use and Cost Effectiveness of Tracheostomy Tube Securing Devices, 270
Chronic Disease Management Offers New Career Opportunities, 228
Describing Pain Management Documentation, 45
Dilantin® Jeopardy: Avoiding the Dangers of Phenytoin, 343
Evaluating Physical and Behavioral Changes in Older Adults, 85
Jewish Tradition in Death and Dying, 275
Postoperative Nursing Care Contributions to Symptom Distress and Functional Status After Ambulatory Surgery, 148
Managing Patients with Carotic Stenosis, 280
Minimizing HIV/AIDS Malnutrition, 256
Nurses' Perceptions of why Medicaiton Administration Errors Occur, 39
Perceived Need for Education vs. Actual Knowledge of Pressure Ulcer Care in a Hospital Nursing Staff, 293
Quality: The Staff Nurses' Role, 130
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348
Radiation and Chemotherapy as Combined Treatment for Advanced Head and Neck Cancer, 159
A Revitalized Battle Against Diabetes Mellitus for the New Millennium, 323
The Role of Laparascopic Nissen Fundoplication in Gastroesophageal Reflux Disease, 364
Stroke Following Vertebral Artery Dissection: A Case Study, 214
You're Pulling Me Where?, 371

Nursing Management
An Analysis of Nursing Documentation as a Reflection of Actual Nurse Work, 189
Barmentoring: Mentoring and Critical Nursing Behaviors Among Novice Nurses in Clinical Nursing Practice, 110
Describing Pain Management Documentation, 45
Doing More With Less: Using Silent In-Services for Staff Development, 91
Evaluating Physical and Behavioral Changes in Older Adults, 85
Implementing a Residency Program for the Acute Care Nurse Practitioner, 28
Intellectual Capital, 172
Nurses' Perceptions of why Medicaiton Administration Errors Occur, 39
On Leadership: Creating Trust, 55
On Leadership: Management is Taught, Leadership is Learned, 173
On Leadership: The 'Me' Disease, 374
On Leadership: Micro-Managing or Leading: The Clinician's Challenge, 310
On Leadership: The Strategic Use of Humility, 226
Perceived Need for Education vs. Actual Knowledge of Pressure Ulcer Care in a Hospital Nursing Staff, 293
Quality: The Staff Nurses' Role, 130
Relationship Between Nurse Caring and Patient Satisfaction, 99
Transforming the Workplace, 60
Valuing the Competency of the Medical-Surgical Nurse, 129
You're Pulling Me Where?, 371

Nutrition Support/Intravenous Therapy
Minimizing HIV/AIDS Malnutrition, 256
Total Parenteral Nutrition in Surgical Patients, 76

Older Adults
Acute Confusion Among Hospitalized Elders in a Rural Hospital, 199
Evaluating Physical and Behavioral Changes in Older Adults, 85
Recognizing and Managing *Clostridum Difficile*-Associated Diarrhea, 348
Review of Nursing Home Regulations, 165
A Road Map for Navigating End-of-Life Care, 57
The Surrogate's Experience During Treatment Decision-Making, 357

Oncology Nursing
Drug Discoveries on the Road to Preventing Breast Cancer, 304
Radiation and Chemotherapy as Combined Treatment for Advanced Head and Neck Cancer, 159

Patient & Case Management
Chronic Disease Management Offers New Career Opportunities, 228
Describing Pain Management Documentation, 45
Evaluating Physical and Behavioral Changes in Older Adults, 85
Jewish Tradition in Death and Dying, 275
Managing Patients with Carotic Stenosis, 280
Perceived Need for Education vs. Actual Knowledge of Pressure Ulcer Care in a Hospital Nursing Staff, 293
Relationship Between Nurse Caring and Patient Satisfaction, 99

Patient & Family Education & Support
AIDS: A Picture of Reality, 223
Domestic Violence: Legal, Practice, and Educational Issues, 142
Fibromyalgia and its Primary Care Implications, 207
